News Updates by Kedner Stiven, Founder & CEO

*L'École de la Fondation de Kedner Stiven (Kedner Stiven Foundation School), in Arcahaie, Haiti, had reopened for the academic year on October 17th, 2019 while thousands of other schools remained shut because of civil unrest in Haiti; but we have closed our doors due to the Coronavirus Pandemic.

*Driven by the belief that freedom is grace in action, we raise funds, not only to pay our teachers regularly every month, but also to continue building other classrooms and adequate students' bathrooms for boys & girls, which we have started since September of 2019. There is still a lot that needs to be done.

*Our latest visit in Haiti was in May 2018. We had a great time with the kids while distributing toys, clothes, and hygienic items.

*Welcome to our newest members/volunteers, in alphabetical order by last name:

- Eddy Alexandre
- John Patrick Alexis
- Adeishe Bagaloo
- Andy Guerrier
- Indira Jean Mary
- Shella Louis
- Mideline Phelizer
- Gessika Souffrant

4th KSF Annual Gala

A WORD FROM OUR FOUNDER

Thank you to everyone who has helped make this a wonderful celebration of our fourth anniversary. Time really flies by! Now, we are heading to our 5th. It only seems like yesterday that I founded this amazing organization to help hundreds of children in Haiti and elsewhere.

When I organized my first Annual Haitian Summer Jazz Festival in the greater New York area, I never imagined I would be so thrilled as we reach significant milestones. Thanks to your sustenance, whether you are near or far, Kedner Stiven Foundation will achieve its objectives. Thank you to all our sponsors, donors, and friends. Thanks to you, we have accomplished a lot during the last 4 years. Let's do more.

To advertise your events, call us at 516-439-7770 or email us at ksf@kednerstivenfoundation.org. Also use this email for all comments, concerns, or questions.
